hallsvillemo4h.org

Hallsville 4-H..... invites all young people to join 4-H, Regardless of where you live, what your backgrounds are, what interests you have. 4-H is open to all youth regardless of race, religion, handicap or place of residence.

The age of the prospective member on December 31st of the 4-H year is 8-18.

We meet the first Monday of each month at the Hallsville Fairgrounds in the Bob LeMone Building at 6:30 pm.

Our meetings last around one hour. We use Robert's Rules of Order to discuss regular business meetings and some meetings we have educational programs, recreation and demonstrations.

Our meetings are conducted by elected officers with leader guidance. We offer many different projects

for kids to choose from. Some examples are: Arts & Crafts, Clothing, Foods, Geology, Shooting Sports, Poultry, Beef, Sheep, Goats, Swine, Horsemanship, Woodworking, Electricity and Ham Curing.

Our projects are taught by dedicated volunteers who want kids to gain new knowledge about their interest and do it in a positive and productive way.

We are a family orientated, service minded club. We do many community service projects and involve the whole family. We have committees which are a vital part of our 4-H club. Serving on committees helps members develop a sense of teamwork, learn responsibility which helps them develop leadership skills and our members learn respect for themselves and others.

Our 4-H members gain public speaking skills as a result of their

4-H experiences. They learn how to express themselves in a group, listen to views of others, reach decisions and abide by majority rules. Our 4-H members take great pride in their accomplishments, both individually and as members of our 4-H team.

We welcome all youth to join our club and enjoy 4-H experiences and opportunities offered through the 4-H program.
